

Press release

Güntner Middle East Awarded A Prize At Climate Control Middle East Awards 2011. 'Winning In Trying Times'.

Güntner AG & Co. KG Middle East, based in Dubai, has won an award at Climate Control Awards, as Best Industrial Manufacturer|Supplier Channel for Industrial Refrigeration in a prestigious ceremony held at the Atlantis Hotel, Palm Jumeirah, Dubai, UAE.

**Dubai, UAE,
November 2011**

The award was granted to Güntner in the category Concrete Cooling, recognizing the sustainability of use and maintenance in their products. The event was attended by some of the region's most competitive and notable ventilation & air conditioning, and refrigeration businesses.

**80 years experience,
constant improvement**

Güntner Group recently celebrated their 80th anniversary. This award is a timely recognition for Güntner Middle East, and reflects on the Güntner Group's regional and worldwide continuity in improving their products.

**High-quality customised
units**

Mr. Adel Kamel, Managing Director of Güntner Middle East, notes: "We are honoured to be recognized and win this prestigious award; and we look forward to continuing to develop our institutional relationship in the region and continuing to offer our clients the highest quality in components in a responsive manner to their demands."

Güntner Group

The Güntner Group with its headquarters in Fürstfeldbruck, Germany, is a global leader for the production of refrigeration and air conditioning components. Decades of experience in the sector and the consistent integration of innovative technologies and research results ensure the high quality of the Güntner solutions in accordance with UL, DIN EN ISO 9001, EUROVENT CERTIFY ALL, ASME B31.5, ARI, and ASHRAE. Operators include among others the international automotive, food, pharmaceutical and computer industries as well as a large number of public facilities. Founded in Germany in 1931, the Güntner Group is present for its customers and partners today with 6 production sites, as well as 40 sales offices and subsidiaries worldwide.
